CHURCHES OF CHRIST, SCIENTIST

"Matter" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text is from Habakkuk: "Woe unto him that saith to the wood, Awake; to the dumb stone, Arise, it shall teach! Behold, it is laid over with gold and silver, and there is no breath at all in the midst of it." One of the Scriptural selections in the Lesson-Sermon includes these verses from Matthew: "And when Jesus was come into Peter's house, he saw his wife's mother laid, and sick of a fever. And he touched her hand, and the fever left her: and she arose, and ministered unto them. When the even was come, they brought unto him many that were possessed with devils; and he cast out the spirits with his word, and healed all that were sick: that it might be fulfilled which was spoken by Esaias the prophet, saying, Himself took our infirmities, and bare our sicknesses."

A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states, "Our Master's first article of faith propounded to his students was healing, and he proved his faith by his works."
